Additional Sponsorships

- **Bag Sponsor: \$5000 (limit 1)**

Brand your company logo and have every conference attendee toting your name! You will also have the opportunity to add one piece of literature (8.5 X11 or smaller) inserted into the conference bag, (supplied by sponsor). Sponsor logo appearing with ZOLL logo.
- **Notepad Sponsor: \$850 (limit 1)**

Brand your company logo and have every conference attendee writing in a notebook with your name! Sponsor logo appearing with ZOLL logo.
- **Massage Station: \$1000 for full day (limit 3)**

It's tiring learning and networking sooooo much. Help the attendees relax by sponsoring a Massage Station for a few hours or an entire day.
- **Cell Phone Charging Station: \$3000**

Don't make our attendees huddle on the floor near an outlet. Offer them use of a cell phone charging station branded with your company logo.
- **Drink Tickets: \$2500 (limited to 2 sponsorships – one for each evening event hosted at the hotel)**

Drink tickets are probably the most popular item at the conference. With this NEW sponsorship all attendees have to pick up their drink tickets from your booth! That's right, for one night, you have complete control.
- **Passport Program: No charge**

Generate traffic and leads to your booth by participating in the Passport Program. . This is one of the most effective and fun ways to drive traffic to your booth. In order to participate in the Passport Program, Sponsors must donate a prize with a minimum value of \$25. Attendees are provided a "passport", identifying all participating companies, and will visit your booth to get their passport stamped to qualify for the prize drawings to be held during the Summit. You will also receive additional exposure as you are acknowledged as one of the prize donors during the drawing. There is no additional cost to participate, just the prize you donate....but you must let us know you will be participating by April 5, 2019.
- **Additional Exhibitor Badges: \$150 per badge**
